THE MEANING OF LIFE

JOIN US FEBRUARY 16TH - MARCH 29TH!

Most of us wrestle with common questions at one time or another. Why am I here? Does my life matter? What is the meaning of life itself? Is there really any meaning at all? Your life, and all life, is no accident. You matter and your life matters. Join us as we discover how finding our story in God's great story gives meaning, focus, and purpose to our lives.

Sunday | 9:00 & 10:30am
